# CLASS HIGHLIGHTS

The Gerard R. Roche Center for Career Development conducted its annual First Destination Survey of graduates of the University of Scranton over a 12-month period from their graduation. This time frame is consistent with the National Association of Colleges and Employers (NACE) First Destination Survey Standards and Protocols.

» The overall success rate<sup>2</sup> for the Class of 2022 was 99%. Fifty percent (50%) of graduates secured full-time employment and 47% enrolled in continuing education. The remaining successful individuals were employed part-time or pursued other intentional paths such as a gap year.

» The mean annual salary for the Class of 2022 was \$59,025.<sup>3</sup>

» The Northeast remained the top destination for employment, with 86% employed in the tri-state (NY, NJ, PA) area.

» Overall, 95% of the Class of 2022 reported using the Center for Career Development's services during their time at the University of Scranton. Ninety-six percent (96%) of successfully employed graduates and 93% of graduates enrolled in continuing education utilized the Center's services.

<sup>b</sup> Knowledge Rate refers to the percentage of graduates for whom knowledge of their first-destination career outcomes has been obtained.

<sup>2</sup> Success Rate refers to the percentage of graduates that have found success based on their career plan (Full-time includes long term service, military, and starting a business).

<sup>3</sup> The overall mean starting salary is based on the 4m
